LINE RESTRICTIONS AND ADDITIONAL FEATURES

CALL WAITING: Informs you that another party is trying to contact you while you are engaged in a telephone conversation. You can answer the incoming call and talk privately without losing the original party. You can also alternate between parties.

CANCEL CALL WAITING: Temporarily cancel your call waiting for the call you will be making. Just press *70 to cancel call waiting. Once the call has been ended, call waiting will automatically reactivate for the next call.

THREE-WAY CALLING: Allows you to add a third party to a previously established connection. If either party hangs up after the conference, you are still connected to the remaining party.

CALL FORWARDING: Automatically forwards your calls to another location. You will be billed for any toll charges from your number to the forwarded number if it is a long distance call.

SPEED DIALING: Lets you call frequently called numbers by dialing one or two digit codes.

TOLL RESTRICTOR: You can restrict long distance calls on your line by adding a PIN number to your account. Only those people with the PIN number can make a long distance call.

PRIORITY RINGING: Allows you to set up a list of up to 32 telephone numbers that you would like to ring in a distinctive ringing pattern.

REPEAT DIALING: Allows you to dial a code to have your telephone continuously attempt to redial a busy number that you've tried to call. This feature is active for a maximum of 30 minutes. You may still make and receive other calls. When the line is free, you will be alerted with a distinctive ring, and the call will be automatically made.

EXTENDED AREA SERVICE: Lets Gardonville members call the Urbank, Parkers Prairie, Eagle Bend and Miltona exchanges without incurring long distance charges. Customer needs to dial the area code plus the number. (Customer does not dial a 1 before the area code.)

VOICE MAIL: This automated service answers your calls with a recording of your own voice and then stores your message until you retrieve them. All you need is a touch tone telephone.

CALLER ID NAME & NUMBER DELIVERY: Shows you the name and number of the caller before you answer the phone. You need to purchase a Caller ID unit for this feature.

ANONYMOUS CALL REJECTION: Allows all unblocked Caller ID calls to ring through normally, but sends all blocked calls to a recording that states you are not accepting any blocked calls.

CALL SCREENING: Lets you create a list of telephone numbers from which you do not wish to receive calls. Calls from telephone numbers on your list are sent to an announcement that informs callers that you are not receiving calls at this time.

SPECIAL CALL ACCEPTANCE: Allows you to create a list of 32 telephone numbers from which you are willing to accept calls. Other callers hear an announcement stating that you are not receiving calls at this time.

CALL RETURN: Allows you to return the call you just missed by dialing *69. This feature will tell you the last number that called. Call return will not work on blocked calls.

PIGGYBACK/TEEN LINE: Allows you to have another number to receive incoming calls only. The ringing pattern will be two short rings.

TELEMARKETER CALL SCREENING: Helps you avoid unwanted telemarketer calls.

FIND ME: Lets family, friends and customers to be able to reach you with just one number. A call at home can ring your wireless phone, your office phone or your lake cabin all at the same time and/or in order that you decide. Never miss an important call again.

CALL TRACE: If you receive harassing or obscene type calls and you feel you need assistance from the police, Call Trace can help. To trace a call, hang up after the harassing call, pickup the receiver again, press *57 (or 1157 rotary) immediately. If the parties information has been transmitted you will receive a recording which confirms that the call has been traced. Upon a successful trace, the telephone number of the line used by the caller will be recorded at Gardonville Co-op Telephone Association's central office. The Call Trace information will be displayed at Gardonville Co-op Telephone Association office whether or not the caller has blocked the call. You then contact your local sheriff's office, Douglas County Sheriff at 320-762-8151 or Grant County at 218-685-5303. At this time the Sheriff's department will contact Gardonville Co-op Telephone and request that Gardonville furnishes them with the trace information. (Under no circumstance will Gardonville Co-op Telephone Association give you the name or number of the person who placed the harassing call, it will only be released to law enforcement agencies.) A \$5.00 fee will be charged per successful trace.

CALLER ID BLOCKING INFORMATION:

LINE BLOCKING will prevent your name and number from being transmitted and displayed on all calls made from your line. Instead, the word "private" or "anonymous" will be displayed if you are calling someone who has Caller ID.

PER CALL BLOCKING is simple, just press *67 before you dial the number you are calling to prevent your telephone number and name from being displayed. There is no need to request this option, it is automatically available on your line plus there is no charge for per call blocking.

LINE UNBLOCKING will cancel the blocking feature for one call by dialing *82. This will allow your information to be displayed. Your line will immediately block upon the completion of your call. There is no charge for this unblocking feature.
