

Automatic Payment Plan

We are pleased to offer an Automatic Payment Plan. Now you can have your payment made automatically from your checking, savings, debit or credit card account. In addition, you will not have to change your present banking relationship to take advantage of this service.

Here's how the Automatic Payment Plan works:

You authorize regular scheduled payments to be made from your checking, savings, debit or credit card account. Then, just sit back and relax. Your payments will be processed on the 15th of each month.

The authority you give to charge your account will remain in effect until you notify us to terminate the authorization. If the amount of your payment changes, we will notify you at least 10 days before payment date.

The Automatic Payment Plan saves you time and money on checks and postage, and it gives you peace of mind knowing your payment is made on time. To take advantage of this service, complete the authorization form below and return it to us at 800 Central Ave N, Brandon, MN 56315.
